

YOUR SMALL BUSINESS SINGLE-FUNCTION PRINTER imageCLASS LBP215x

ENTRY LEVEL WORKHORSE RANGE
ADVANCE MONO LASER PRINTER

Fast and efficient, the LBP215x will impress you with compact, sleek design. Whether it is used as a standalone printer, or to complement your existing fleet — this is the perfect entry level printer for your business.

The imageCLASS LBP215x is an advanced laser printer designed with the customer in mind and complements business' existing printing environments. With features such as a 5 inch colour touch screen, integrated PCL & Genuine Adobe PostScript, this is the perfect addition to your business.

Key Features

Genuine Adobe PostScript, & PCL Compatible

- The LBP215x features genuine Adobe PostScript to ensure the best results when used in a PS environment. Further it also supports both PCL, making it ideal for use in both small to large organisations with established print solutions.

Low Power Consumption and Quick Start Up

- By adopting Canon's unique On-Demand Fixing System, the LBP215x achieves low power consumption in standby and quick start-up, with first page out in less than 7 seconds.

Enhanced Security

- Organisations can now eliminate unnecessary printing, while ensuring the security of sensitive documents with the LBP215x Secure Print features.

Ease of Use and Paper Capacity

- Organisations can add an optional 550 sheet cassette giving a total of 900 sheet from 3 sources, ensuring continual printing, or a selection of 3 different media types. The LBP215x, 5 inch colour touch screen takes the user to a new level in ease of use and operation, making it a pleasure to use.

On Demand Fixing

Canon's unique On Demand Fixing system offers low power consumption and fast recovery times from standby mode

Connectivity

Integrated network connection to easily share amongst many users within the office

Automatic Image Refinement

Increases the resolution of the print up to an equivalent of 1200 x 1200 dpi ensuring that you get a professional looking document every time

Fast Print Speed

Offering up to 38 ppm print speeds with a 6.4 sec print out so you will never be waiting for a print again

PCL, Genuine Adobe PostScript Support

Supports common printer languages for seamless integration into an existing print solution

Auto Duplex

Auto duplex for easy double sided printing and cost savings

Low Power Consumption in Standby

By offering reduced power consumption, Canon Laser Printers will save you money help the environment
