## Overview

The WorkForce ET-4750 EcoTank all-in-one, powered by PrecisionCore®, offers revolutionary cartridge-free printing with easy-to-fill, super-sized ink tanks. It includes up to 2 years of ink in the box[4]. That's an incredible amount of ink — enough to print up to 11,200 pages[2], and equivalent to about 284 individual cartridges[3]. Plus, it features auto-stop ink bottles with each colour uniquely keyed for easy filling of each tank. The ET-4750 also offers a high-capacity 250-sheet paper tray, fax, 2.4" colour touchscreen, 30-sheet ADF, fast auto 2-sided printing, and convenient wired and wireless networking.

**KEY FEATURES AND BENEFITS**

- Cartridge-Free Printing — comes with up to 2 years of ink in the box[4]
- Includes Enough Ink to Print up to 14,000 pages black/11,200 colour[2] — equivalent to about 284 individual cartridges[3]
- Load Paper Less Often — high-capacity 250-sheet paper tray
- Easy Touch-and-Swipe Setup and Navigation — large 2.4" color touchscreen
- Do More — 30-Sheet Auto Document Feeder; auto 2-sided printing; borderless printing; fax
- Powered by PrecisionCore Printing Technology — delivers laser-quality black text
- Ultimate Wireless and Networking — easily print from iPad®, iPhone®, Android™ tablets and smartphones[5]; includes Wi-Fi Direct®[6] plus Ethernet
- Exclusive auto-stop ink bottles — uniquely keyed for easy filling of each colour

### OUR MOST ADVANCED ECOTANK PRINTER
PRINTING FREEDOM

For one upfront price, the Epson EcoTank printers come with enough ink in the box to print for up to 2 years[4], so you can print 14,000 pages in black[2] and 11,200 pages in colour[2] without worrying about ongoing ink replacement and costs.

## HIGH-VOLUME INK BOTTLES

Additional low-cost ink can be bought in convenient high-volume bottles that have a drip-free nozzle and resealable cap for easy storage and refilling. We have redesigned our ink bottles to incorporate a unique key system. Each bottle is keyed so that it only fits into the corresponding ink tank on the printer, thus preventing mis-filling or spillage. Replacement bottles hold enough ink for a massive 7,500 pages in black[2] and 6,000 pages in colour[2].

## POWERED BY PRECISIONCORE™

The WorkForce ET-4750 is powered by PrecisionCore technology which uses a revolutionary high-density print chip that can generate up to 40 million precise dots per second with amazing accuracy, producing professional-quality output at fast speeds.

## DO MORE

The WorkForce ET-4750 allows your home office to do more in one small, space saving package. It features a front paper tray with a 250-sheet paper capacity so you can load less often. You have the ability to scan, copy and fax a lot of original documents with the convenient 30-page Automatic document feeder. Plus save paper with auto 2-sided printing.

## HIGH-SPEED FAXING

Fax as fast as 3 seconds per page, save up to 100 pages in memory, and store up to 100 numbers. Using the included PC-Fax, you can even send a colour fax right from your computer. It is a great way to save time and paper.

## EVERYDAY PERFORMANCE
## EASY

[1] 12 months of standard Return to Base warranty. For an additional 12 months warranty (total of 24 months), you must register online at **www.epson.com.au/registrations** within 30 days of purchase.

[2] Yields based on the ISO/IEC 24712 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. All ink colours are used for printing and printer maintenance, and all colours must be available for printing.

[3] Individual cartridges estimate based on print yields of replacement black and colour ink bottles as compared to Epson standard-capacity ink cartridges for similarly featured printers as of August 2019.

[4] Based on average monthly print volumes of about 300 pages (ET-4750).

[5] Most features require an Internet connection to the printer, as well as an Internet and/or email-enabled device. See **www.epson.com.au/connect** for a list of Epson Connect enabled printers and compatible devices and Apps.

[6] Wi-Fi CERTIFIED™, level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software.

[7] Android is a trademark of Google Inc.

## Simple Wireless Connectivity

The WorkForce ET-4750 supports the latest wireless standard, 802.11b/g/n[6], it also includes Wi-Fi Direct®, which means no router is required, providing users with greater coverage and faster speeds. You can use your EcoTank printer from anywhere in your home and share it with multiple PCs.

## Wired Networking

Built in Ethernet makes sharing the printer on your network quick and easy.

## Productivity Anytime, Anywhere[5]

Users can easily print from their tablet or smartphone using Epson Connect™ solutions. Supports Android™[7], AirPrint™, iPad and iPhone, Chromebook™, Fire™-OS, Mac®, and Windows® devices. Wirelessly print a range of documents, reports, invoices, presentations and so much more whether at the home office or on the go. You can also scan documents and save them to the cloud for easy access and collaboration.

## Print from your iPad or iPhone

Apple® AirPrint™ makes it simple to print emails, web pages, presentations and documents straight from their iPad or iPhone. There's no software to download, no drivers to install and no cables to connect. Your Apple® IOS® device will automatically connect to the printer.

## Share your Google® Content

Print on the go from a smartphone or tablet using Google Cloud Print™ with your Gmail™ or Google Drive™ account. Plus, you can print from your Chromebook and Google Chrome™ without installing drivers or connecting cables. It's now even easier to share Google content from anywhere.

Easy to use

Navigating the printer menu is easier than ever with the 2.4" colour LCD and the user friendly control panel buttons, making printing of documents, reports, invoices and presentations so much easier whether at home office or on the go.

Scan and copy, PC-free

Get high-quality colour or black-and-white copies in a snap

REGISTRATION OFFER

The Epson EcoTank range is backed by a 2 year Return-to-Base warranty (1 year standard and a bonus 1 year upon registration).

Users can receive an additional 1 year bonus warranty when they register online[1] within 30 days of purchase at **www.epson.com.au/registrations** providing a total of 2 Years Warranty.

1. Black and colour print/copy speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on system configuration, software, and page complexity. **Click here for details on ISO testing.**

2. 10x15cm photo print speed when printed on Epson Premium Glossy Photo Paper borderless in default mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

3. Wi-Fi CERTIFIED™, level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. 4. Most features require an Internet connection to the printer, as well as an Internet and/or email-enabled device. See **www.epson.com.au/connect** for a list of Epson Connect enabled printers and compatible devices and Apps.

4. Most features require an Internet connection to the printer, as well as an Internet and/or email-enabled device. See **www.epson.com.au/connect** for a list of Epson Connect enabled printers and compatible devices and Apps.

5. Scan to cloud requires an Internet connection, a free Epson Connect account and a destination email address or cloud storage account. For a list of supported cloud services, visit **www.epson.com.au/connect**

6. Yields based on the ISO/IEC 24712 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. All ink colour's are used for printing and printer maintenance, and all colour's must be available for printing. **Click here for details on ISO testing. (PDF)**

**Usage Conditions**
Epson products are designed and made to give highly reliable use and long life when used according to its specifications. With any system, product or device used in situations where human life may be involved or at risk, Epson advises that you should take all necessary steps to ensure the suitability of your Epson product for inclusion in your system, and recommends that you include fail-safe procedures and redundancy support or backup equipment in your system, to maintain the maximum safety margin and optimum system reliability. Examples include but are not limited to – do not interfere with any electrical components within the device, do not use items supplied with the product for purposes other than as intended by Epson (ie mains cords, inks, CDs, plastic wrapping) and do not make modifications to the product.
