[Where to Buy](#)

Overview

Introducing the revolutionary new Ecotank Monochrome printer.

The ET-M1170 Single Function Printer with integrated ink tank system is ideal for busy homes looking to cut their printing costs. Thanks to the integrated high-capacity ink tank, ink is supplied continuously to the printer, so there are no cartridges to replace; you simply top up the tank with the Epson ink bottle and keep on printing.

KEY FEATURES & BENEFITS

- Cartridge Free Printing – integrated high capacity ink tank system.
- 2 Years of ink included¹ – Freedom to print up to 5,000 pages in black.²
- Extremely Low Cost Per Page – Less than a half a cent per page with replacement bottle³.
- Low-cost replacement ink bottle from \$24.99 – and easily refillable ink tank with replacement ink bottle.
- Fast First Page out Time – in only 6 seconds.
- Easy Wireless – easily print from iPad®, iPhone®, Android™ tablets and smartphones^{®4} includes Wi-Fi Direct^{®5}
- Small size, great performance – save space at home.
- Bonus 1 year warranty – upon registration within 30 days⁶.

PRINTING FREEDOM

For one upfront price, the Epson EcoTank printers come with enough ink in the box to print for up to 2 years¹, so you can print up to 5000 pages in black without worrying about ongoing ink replacement and costs.

HIGH-VOLUME INK BOTTLE

Additional low-cost ink can be bought in a convenient high-volume bottle that has a drip-free nozzle and resealable cap for easy storage and refilling. We have redesigned our ink bottles to incorporate a unique key system to ensure more precise refilling to avoid spillage. The ink bottle also incorporates a pressure mechanism so the bottle automatically stops exerting ink once the ink tank is full. Replacement bottles hold enough ink for a massive 6,000 pages in black².

SPACE SAVING DESIGN

The ET-M1170 is designed for small spaces. Its compact footprint means you can fit it comfortably anywhere in your home or home office, creating an ergonomic work environment.

EVERYDAY PERFORMANCE

Simple wireless connectivity

The EcoTank ET-M1170 supports the latest wireless standard, 802.11n⁵, it also includes Wi-Fi Direct[®], which means no router is required, providing users with greater coverage and faster speeds. You can use your EcoTank printer from anywhere in your home and share it with multiple PCs.

Productivity anytime, anywhere⁵

Users can easily print from their tablet or smartphone using Epson Connect™ solutions. Supports Android™, AirPrint™, iPad and iPhone, Chromebook™, Fire™-OS, Mac[®], and Windows[®] devices. Wirelessly print a range of documents, reports, assignments, recipes and so much more whether at home or on the go.

Print from your iPad or iPhone

Apple[®] Airprint™ makes it simple to print emails, web pages, assignments and documents straight from their iPad or iPhone. There's no software to download, no drivers to install and no cables to connect. Your Apple[®] IOS[®] device will automatically connect to the printer.

Share your Google[®] content

Print on the go from a smartphone or tablet using Google Cloud Print™ with your Gmail™ or Google Drive™ account. Plus, you can print from your Chromebook and Google Chrome™ without installing drivers or connecting cables. It's now even easier to share google content from anywhere.

REGISTRATION OFFER

The Epson ET-M1170 is backed by a 2 year Return-to-Base warranty (1 year standard and a bonus 1 year upon registration).

Receive your additional 1 year bonus warranty when you register online⁶ at www.epson.com.au/registrations within 30 days of purchase providing a total of 2 Years Warranty.

¹ 2 years' of ink based upon user's average monthly print volume (200 pages per month).

² Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 19752. Quoted yields are NOT based on ISO/IEC 24711. Quoted yield may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature.

³ Based on replacement ink bottle at \$24.99 for 6,000 pages.

⁴ Most features require an Internet connection to the printer, as well as an Internet and/or email-enabled device. See www.epson.com.au/connect for a list of Epson Connect enabled printers and compatible devices and Apps.

⁵ Wi-Fi CERTIFIED™, level of performance subject to the range of the router being used.

⁶ 12 months of standard Return to Base warranty. For an additional 12 months (making a total of 24 months), you must register on www.epson.com.au/registrations within 30 days of purchase.

Quoted yield may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature.

Warning to Epson printer owners. Many well known third party companies claim their inkjet printing papers are compatible with all Epson inkjet printers. Epson has reports from many customers who have used third party paper and have been very disappointed with the results. When the same customers have changed to genuine Epson paper, they have been amazed and pleased with the colour and quality of their prints. Epson recommends that you do not use any non genuine printing papers if you want to get the best results from your Epson printer. Epson printers are very carefully tuned to ensure Epson inks and Epson's patented MicroPiezo™ printhead produce the best quality prints using carefully selected Epson paper.

All other brands of printing papers are not wholly compatible with the printer.

Equipment supplied by Epson Australia is designed to function in conjunction with genuine Epson consumables and accessories specifically configured for it.

Usage Conditions

Epson products are designed and made to give highly reliable use and long life when used according to its specifications. With any system, product or device used in situations where human life may be involved or at risk, Epson advises that you should take all necessary steps to ensure the suitability of your Epson product for inclusion in your system, and recommends that you include fail-safe procedures and redundancy support or backup equipment in your system, to maintain the maximum safety margin and optimum system reliability. Examples include but are not limited to – do not interfere with any electrical components within the device, do not use items supplied with the product for purposes other than as intended by Epson (ie mains cords, inks, CDs, plastic wrapping) and do not make modifications to the product.
