Overview

The Epson WorkForce WF-2810 is an entry-level multifunction printer offering a productivity boost for office environments in a small compact design. Combining individual ink cartridges with a choice of capacity options, Wi-Fi Direct® auto two-sided printing and fax.

KEY FEATURES & BENEFITS

Save time and paper – auto 2-sided printing

Easy wireless – print from iPad®, iPhone®, Android™ tablets and smartphones¹; includes Wi-Fi Direct®³

Affordable individual ink cartridges – replace only the cartridge that runs out

Simple setup and navigation – 1.44" colour LCD to easily print, copy, scan and fax

Reload paper less often – 100-sheet paper feed for added productivity

Reliable – designed for jam-free printing

Save space on your desktop – great performance in a compact, space-saving design

All-Purpose Small-In-One

Ideal for the space-constrained home office, the WorkForce WF-2810 is a fast, high-performance all-in-one that offers **affordable, individual ink cartridges** within a space-saving, compact design.

This powerful inkjet saves time with fast speeds up to 10ppm² and 5 ppm². For easy setup and sharing on the Home network, the WF-2810 comes with **built-in wireless** connectivity, and features **EPSON Connect™** so you can print and scan from anywhere.

Simple wireless connectivity

Connect to your wireless network in a snap — even the latest wireless standard, 802.11 b/g/n, is supported. No network? No problem. Wi-Fi Direct means no router is required enabling users to easily connect to wireless networks in seconds, allowing printing from virtually any room in the office.

Print from your iPad or iPhone

Apple® Airprint™ makes it simple to print photos, emails, webpages and documents straight from your iPad or iPhone. There's no software to download, no drivers to install or cables to connect. Your apple IOS device will automatically connect to the printer.

Share your Google® content

Print on the go from your smartphone or tablet using Google Cloud Print™ with your Gmail™ or Google drive™ account. Plus, print from your Chromebook and Google Chrome™ without installing drivers or connecting cables. It's now even easier to share your google content from anywhere.

High-Speed Faxing

Fax in as fast as 3 seconds per page, save up to 180 pages in memory, and store up to 60 numbers. Using the included PC-Fax, you can even send a colour fax right from your computer. It's a great way to save time and paper.

Brilliant Results. Great Value.

The WorkForce® WF-2810 not only provides brilliant results for the home and office, but also a **smart value choice** for the cost conscious consumer.

With **individual ink cartridges**, you only replace cartridges as needed, rather than the conventional process of having to replace an entire cartridge despite only having consumed one of the many colours it contains. Plus, you can save more by buying the high capacity **212XL** ink cartridges, printing **2.5x more** than the standard capacity⁴ or save further with the option of purchasing value packs.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

1 Year Warranty

The Epson WorkForce® WF-2810 is backed by a 1 year return-to-base warranty.

¹ Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. See www.epson.com.au/connect for a list of Epson Connect enabled printers and compatible devices and Apps. Adapter may be required.

² Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed.

³ WiFi 802.11 b/g/n certified™, level of performance subject to the range of the router being used. WiFi Direct may require printer software.

⁴ Approximately 2.5 times more prints per cartridge compared with the model 212 standard capacity ink cartridge.

Specification

Usage Conditions

Epson products are designed and made to give highly reliable use and long life when used according to its specifications. With any system, product or device used in situations where human life may be involved or at risk, Epson advises that you should take all necessary steps to ensure the suitability of your Epson product for inclusion in your system, and recommends that you include fail-safe procedures and redundancy support or backup equipment in your system, to maintain the maximum safety margin and optimum system reliability. Examples include but are not limited to – do not interfere with any electrical components within the device, do not use items supplied with the product for purposes other than as intended by Epson (ie mains cords, inks, CDs, plastic wrapping) and do not make modifications to the product.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

Consumables

Warning to Epson printer owners. Many well known third party companies claim their inkjet printing papers are compatible with all Epson inkjet printers. Epson has reports from many customers who have used third party paper and have been very disappointed with the results. When the same customers have changed to genuine Epson paper, they have been amazed and pleased with the colour and quality of their prints. Epson recommends that you do not use any non genuine printing papers if you want to get the best results from your Epson printer. Epson printers are very carefully tuned to ensure Epson inks and Epson's patented MicroPiezo™ printhead produce the best quality prints using carefully selected Epson paper.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

Equipment supplied by Epson Australia is designed to function in conjunction with genuine Epson consumables and accessories specifically configured for it.
