## Overview

KEY FEATURES & BENEFITS

Superior performance, Small-in-One® design – get all the tools you need for photos, documents and more, while saving valuable space on their desk

Borderless 4" x 6" photos – in as fast as 20 seconds[1].

Claria Premium inks[1] – a 5 cartridge ink system designed for optimum results when printing a mixture of documents and photos

Print documents & borderless photos – get crisp, sharp documents and brilliant photos.

Versatile paper handling – auto 2-sided printing.

Ultimate wireless printing[3] – share one Small-in-One printer at home; includes Wi-Fi Direct™[2] for network-free printing.

Epson Connect™[3] – easily print from iPad®, iPhone®, tablets and smartphones

Share – scan to Facebook® and the cloud[4] for easy photo sharing

Easy PC-free photo printing® – built-in card slots[6]; plus 1.44" LCD with touch panel to preview, edit and print photos

Creative Print mobile app – Easily print Facebook® photos and create custom colouring books, cards stationary and more.

### All-Purpose Small-in-One

A compact and stylish Small-in-One multifunctional printer, the Expression® Premium XP-540 has all the functions you need for photos, document and more.

The XP-540 also features the ultimate in wireless printing[3], making it easier than ever to print from your iPad®, iPhone®, tablet or smartphone, whether at home or out and about. The Expression® Premium XP-540 also has built in Wi-Fi direct, which means no router[2] is required. And you can connect up to 4 devices at once. Share photos with family and friends in more ways than possible with the scan to Facebook® or the cloud[4]. Plus the Automatic 2-sided printing saves time and paper, while the compact design saves valuable desk space. This powerful printer is ideal for delivering stunning photos and documents with sharp text. Fast and easy, the XP-540 is perfect for a busy family.

Personalize and share
Add a whole new creative dimension to your photos with Epson's Creative Print App. Available for iOS® and Android, this mobile app can access and print your photos from Facebook, create custom greeting cards and stationery, and turn your photos into a fun colouring book project.

Ultra powerful performance, ultra slim design
Get the best of both worlds: powerful performance and a sleek, compact design. This versatile Small-in-One printer has all the tools for photos, documents and more while saving valuable desk space. It even includes built-in templates for lined paper and calendars.

### The ultimate in wireless printing[3]

Simple wireless connectivity, share the XP-540 with multiple computers and mobile devices (up to four devices at once) and enjoy the freedom to print from anywhere. Setup couldn't be simpler, choose from using an existing network with 802.11b/g/n or Wi-Fi Direct[2] which means no wireless network is required, making peer-to-peer printing easy.

Productivity anytime, anywhere
Easily print from tablet or smartphone using Epson Connect™[3]. Wirelessly print documents, photos, emails and web pages whether at home or on the go. Scan documents and save them to the cloud[4] for easy access and collaboration. Supports Android™, Apple® iPad and iPhone, Chromebook™, Kindle Fire™, Mac® and Windows® devices.

## Easy to share

Scan and share instantly

Share special moments quickly and easily to Facebook®. Plus scan important documents and send them to popular cloud services[4]. Just install the included software and it's ready to get started.

## Easy to print

PC-free photo printing made easy

Navigating the printer menu is easier than ever with the **1.44" LCD and touch panel**. Preview, edit and print photos without a computer using the **built-in USB and memory card slots**[6].

Print from iPad® or iPhone®

Apple® AirPrint™ makes it simple to print photos, emails, web pages and documents straight from iPad® or iPhone®. There's no software to download, no drivers to install and no cables to connect. Apple® iOS® device will automatically connect to the printer

Share Google® content

Print on the go from a smartphone or tablet using Google Cloud Print™ via Gmail™ or Google Drive™ account. Plus, print from Chromebook and Google Chrome™ without installing drivers or connecting cables. It's now even easier to share Google content from anywhere.

Easy photo enhancements

**Built-in Auto Photo Correction** automatically evaluates and corrects digital images. It even includes advanced face detection, correcting the colour to ensure beautiful, natural skin tones, plus **easy red-eye removal** for perfect photos every time.

## Brilliant Results. Great Value with Epson Claria Premium Inks

Deliver brilliant, ultra sharp detail on plain and specialty paper with the use of the pigment black ink, whilst utilising the four dye based inks to produce stunning photo prints. Making this **five cartridge ink system**, the ideal ink set for customers who print a mixture of documents and photo prints.

With **individual ink cartridges**, users **only replace cartridges as needed**, rather than the conventional process of having to replace an entire cartridge despite only having consumed one of the many colours it contains. Plus, users can save more by buying the high capacity 410XL ink cartridges, printing 2 x more than the standard capacity^ or save further with the option of purchasing value packs.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

## Worry-free handling

Get superior-quality photos that are smudge, scratch, water and fade resistant[5]

Warranty
The Epson Expression® Home XP-540 is backed by a 1 Year Return-to-Base Epson warranty.

Optional 2 Year Return to Base Epson CoverPlus provides additional two years service; covering parts, labour & on-going technical support.

[1] Colour photo in Draft Mode on Premium Photo Paper Glossy measured from start of paper feed. Actual print times will vary based on system configuration, software, and page complexity.

[2] Wi-Fi 802.11 b/g/n certified; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software.

[3] Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. See **www.epson.com.au/connect** for a list of Epson Connect enabled printers and compatible devices and Apps. Adapter may be required.

[4] Requires Easy Photo Scan software (included). Mac version may require software download.

[5] Smudge, scratch, water and fade resistant on Epson photo papers. For CDs/DVDs, resistant only on specially-treated discs.

[6] Adapter may be required

^ Approximately 2 times more prints per cartridge compared with the model 410 standard capacity ink cartridges.

[5] Requires Easy Photo Scan software (included). Mac version may require software download.

---

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

---

**Usage Conditions**

Epson products are designed and made to give highly reliable use and long life when used according to its specifications. With any system, product or device used in situations where human life may be involved or at risk, Epson advises that you should take all necessary steps to ensure the suitability of your Epson product for inclusion in your system, and recommends that you include fail-safe procedures and redundancy support or backup equipment in your system, to maintain the maximum safety margin and optimum system reliability. Examples include but are not limited to – do not interfere with any electrical components within the device, do not use items supplied with the product for purposes other than as intended by Epson (ie mains cords, inks, CDs, plastic wrapping) and do not make modifications to the product.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

## Consumables

**Warning to Epson printer owners.** Many well known third party companies claim their inkjet printing papers are compatible with all Epson inkjet printers. Epson has reports from many customers who have used third party paper and have been very disappointed with the results. When the same customers have changed to genuine Epson paper, they have been amazed and pleased with the colour and quality of their prints. Epson recommends that you do not use any non genuine printing papers if you want to get the best results from your Epson printer. Epson printers are very carefully tuned to ensure Epson inks and Epson's patented MicroPiezo™ printhead produce the best quality prints using carefully selected Epson paper.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

Equipment supplied by Epson Australia is designed to function in conjunction with genuine Epson consumables and accessories specifically configured for it.
