All-Purpose Small-in-One

A compact and stylish Small-in-One multifunctional printer, the Expression[®] Photo XP-960 has all the functions you need for photos, document and more. Print stunning borderless photos up to A3 and for easy photo enhancements use the built-in Automatic Photo Correction and red-eye removal. Customize creative projects or archive special moments with the dedicated CDs/DVDs tray for direct printing.

The XP-960 also features the ultimate in wireless printing², making it easier than ever to print from iPad[®], iPhone[®], tablet or smartphone, whether at home or out and about. You can also scan documents and save them to the cloud⁵ for easy access and collaboration. Plus the **Automatic 2-sided printing** saves time and paper, while the compact design saves valuable desk space. The Expression Photo XP-960 offers the best of both worlds: Up to **A3 border free photo printing** in a sleek compact design for A4 and **occasional A3 printing**; featuring an intuitive **4.3" touch-panel display**, Epson Connect, fast print speeds, and dual paper trays for unsurpassed productivity, as well as **Epson Claria Photo HD Ink with six individual cartridges**.

Designed for Excellence

Featuring the ultimate in **wireless printing**, the XP-960 makes it easier than ever to print from iPad, iPhone, tablet or smartphone³, whether in your home or out and about. No matter what they choose to print, they're ready with a **dedicated photo tray**, specialty paper support and **CD / DVD** printing.

Stunning borderless photos up to A3 (11" x 17")

Print sharp, grain-free photos with smooth gradations and true-to-life skin tones thanks to 6-colour Claria[®] Photo HD inks. This sleek printer boasts a wide colour gamut and ensures brilliant borderless photos, including 3.5" x 5", 4" x 6", 5" x 7", A4 and A3.

Get professional quality photos that are smudge, scratch, water and fade resistant⁶. Share photos or archive important documents after printing.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

Innovative lid keeps originals in place

Make scanning easy with the new, **fold-over scan lid**. This innovative feature secures originals, giving a perfectly scanned image almost every time.

Innovative features for intuitive printing

Thanks to a **dedicated photo tray**, the XP-960 is always ready to print — there's no need to switch to photo paper. And, with its innovative paper tray, just click "Print" and the **auto-extend tray** comes out automatically.

Intuitive 4.3" touchscreen with gesture navigation

The XP-960 makes using this all-in-one easier than ever. Use the **built-in card slots** and 4.3" **touchscreen** with gesture navigation to preview, edit and print photos — all without a computer.

Print from your iPad or iPhone

Apple® Airprint™ makes it simple to print photos, emails, webpages and documents straight from your iPad or iPhone. There's no software to download, no drivers to install or cables to connect. Your apple IOS device will automatically connect to the printer.

Share your Google® content

Print on the go from a smartphone or tablet using Google Cloud Print™ with your Gmail™ or Google drive™ account. Plus, print from your Chromebook and Google Chrome™ without installing drivers or connecting cables. It's now even easier to share your google content from anywhere.

Scan and Share Instantly

Share Special moments instantly. Dig those photos out of your shoeboxes and scan them to Facebook quickly and easily⁵. Or, scan important documents and send them to important Cloud services. Just install the included software on your PC and you're ready to get started.

Scan to Facebook and the cloud for easy photo sharing⁵

Usage Conditions

Epson products are designed and made to give highly reliable use and long life when used according to its specifications. With any system, product or device used in situations where human life may be involved or at risk, Epson advises that you should take all necessary steps to ensure the suitability of your Epson product for inclusion in your system, and recommends that you include fail-safe procedures and redundancy support or backup equipment in your system, to maintain the maximum safety margin and optimum system reliability. Examples include but are not limited to – do not interfere with any electrical components within the device, do not use items supplied with the product for purposes other than as intended by Epson (ie mains cords, inks, CDs, plastic wrapping) and do not make modifications to the product.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

Consumables

Warning to Epson printer owners. Many well known third party companies claim their inkjet printing papers are compatible with all Epson inkjet printers. Epson has reports from many customers who have used third party paper and have been very disappointed with the results. When the same customers have changed to genuine Epson paper, they have been amazed and pleased with the colour and quality of their prints. Epson recommends that you do not use any non genuine printing papers if you want to get the best results from your Epson printer. Epson printers are very carefully tuned to ensure Epson inks and Epson's patented MicroPiezo™ printhead produce the best quality prints using carefully selected Epson paper.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

Equipment supplied by Epson Australia is designed to function in conjunction with genuine Epson consumables and accessories specifically configured for it.
