HP LaserJet P2035 Printer

A great choice for productive individuals in unmanaged SMBs, and in any-sized business who need a compact, reliable printer to produce high quality office documents easily and affordably.

Enhance productivity and get great value for money with this black-and-white HP LaserJet.

Enjoy fast print speeds of up to 30 ppm. Get a fast first page out from low power mode with Instant-on Technology. Conveniently connect your printer to a computer using the USB or parallel port. Print a range of office documents of almost any length, with a 250-sheet input tray; the 50-sheet multipurpose tray supports a variety of print media. Process complex files quickly with a 266 MHz processor and 16 MB memory.

Achieve impressive, professional quality results with this conveniently compact printer.

Print professional-quality documents with crisp text and sharp images thanks to HP FastRes 1200 which provides 1200 dpi effective output quality. This sleek, space-saving printer's compact design ensures that it fits conveniently into a small area of the desktop. Reduce operation noise with the printer's unique Quiet mode¹. The reliable all-in-one HP LaserJet print cartridge is designed to meet your usage needs, optimise print quality and provide excellent value.

Extremely easy to set up, use, and maintain.

Interactive intelligence built into the Original HP print cartridge optimises print quality and provides alerts when supplies are low, making management straightforward. One-door access to the easy-to-install HP LaserJet Print Cartridge means installation and replacement are simple and convenient. Easily navigate printer functions with the simple LED control panel.

¹ When Quiet mode is selected, the printer operates at a slower speed.
