33.6 Kbps modem with JBIG compression

- High-speed modem transfers data at speeds up to 2 seconds-per-page

80-sheet automatic document feeder

- Fax, copy or scan large jobs without having to split them into multiple sets

200 location address book

- Store frequently dialed fax numbers for instant recall

Memory transmission

- Scanned documents are held in memory when line is busy

Broadcasting and group dialing

- Send documents to multiple parties at the touch of a button

Expandable memory

- Upgrade from the standard 8 MB memory to 40 MB, creating sufficient memory storage for large applications

Energy Star compliant

- Energy Save Mode reduces energy consumption to minimum operating levels, prolonging machine life and lowering electricity bills

Flexible paper capacity

- Standard 500-sheet paper capacity easily expands to 1,000 sheets with optional 2nd cassette and allows for simultaneous use of letter and legal sized paper

Multipurpose bypass tray

- Print unique media such as letterhead, envelopes, labels or overhead projector sheets from the 50-sheet bypass tray

Standard PC printing

- Windows-based GDI printing system produces crisp printouts at 600 dpi

Standard colour scanning

- Convert colour photos, charts and/or business documents into electronic files
- TWAIN compliance for direct scanning of images into popular software applications

Optional Internet fax

- Send hardcopy documents to remote Internet fax terminals or email inboxes

Optional network printing

- High-speed 10/100 BaseT Ethernet connection enables users to share the OKIFAX-305 as a workgroup printer

EasyChangeSM consumables

- Front loading consumables can be quickly changed without the need for a service call

Intuitive control panel

- Two-line LCD provides clear instruction and operational guidance
- “Macro” keys allow for one-touch initiation of complex fax/copy commands

The OKIFAX 305 combines powerful faxing, colour scanning and PC printing into a single, easy-to-use multifunction solution.

The OKIFAX 305 comes equipped with standard:
